Please **phone 01-6458030** or email educate@youngsocialinnovators.ie

Check out www.youngsocialinnovators.org for more information

Young Social Innovators (YSI) is a great way for schools to engage students in social justice and civic action. Its Social Innovation Programme gives young people an opportunity to work in teams on a social issue of their choice, deepen their understanding of it and come up with innovative responses and actions.
