IEC KANTURK
JUNIOR CAMPUS

OUR ACCOMMODATION & EDUCATION PARTNERS:
IEC Campus is a 1 hectare family owned destination located in the attractive town of Kanturk in North Cork. Directors Thomas and Michelle Horgan are involved in the education sector since 2004 and are a leading provider of Activity Camps and Junior English language programmes in Ireland. Recognised by ACELS, a service of Quality and Qualifications Ireland they embrace the highest standards in their industry.

Professionally trained management and staff proudly deliver sports and leisure activity programmes for juniors at IEC Campus while embracing child protection and health protection regulations to keep their clients safe at all times. New measures for 2020 include single room occupancy, provision of isolation facilities in an attractive on-campus apartment, implementation of social distancing regulations, deep cleaning regimes, etc. Proud to partner with Ballyhass Adventure Group, IEC Campus is easily accessible by arranged transfers from Mallow train station while Directors live on site to ensure the safety of their clients at all times.

Thomas and Michelle Horgan

Welcome To Ballyhass

Welcome to our brand new residential Summer Program. We are very excited to finally be able to take the years of successful one off residential experiences with schools and create something bigger and better. Alongside our accommodation partners: IEC Kanturk, we are bringing together our joint expertise and success and channelling it into offering a dedicated residential summer program. With full commitment to the highest quality, widest variety and an all rounded, adventure activities program.

Designed specifically to encourage the participants to get active outdoors, and be introduced to host of new individual outdoor sports. The camps are split between two different centres Ballyhass Mallow and Ballyhass Coachford. With two different centres and over 20 different outdoor activities including kayak expeditions, wilderness and ziplines this will be an expereince that lasts a life time

We see this product being at the forefront of what is available across the country and meticulous attention to detail has been made to ensure this course is safe and incorporates the best social distance and health guidelines available. We are very confident that your child will learn, discover and grow…..

IEC Campus

Using the great facilities of IEC Kanturk and Ballyhass Adventure Group our residential camps are offered in two week blocks across the Summer. Each individual block has its own specific focus when it comes to subjects covered. Allowing you to discuss with your child what areas they should pinpoint and improve on.

- Residence has 33 rooms, 33 single occupancy with isolation facilities
- 1 hectare Campus with separate school block and landscaped gardens to ensure social distancing.
- Dining hall with trained chef on site

BALLYHASS ADVENTURE GROUP REVIEWED MAY 6TH

BALLYHASS SOCIAL DISTANCING APPROVED PRODUCTS

The road to summer 2020 has been challenging for everyone. It was been tough watching the population struggling to come to terms with being locked indoors and unable to utilize the outdoors. Our mission as a company has always been to get as many people active outdoors each season as possible. This year we believe that goal is more important than ever.

To accomplish this we have designed with our partners Infinity Kanturk a ground up residential product with social distancing in mind.

All activities have been given our Ballyhass Social Distancing Designed badge. This is our commitment to provide a save environment for our staff and clients. The badge is evolving just like the 2020 pandemic situation and the checklist required for one of our products to be given this badge is constantly reviewed and brought in-line with the current up to date HSE recommendations.

You can read all about our Approved badge in the About section on Ballyhass.ie

While we wont be offering hugs on arrival we will have a huge smile on our faces to welcome you into the outdoors.

- ✓ Small groups courses designed from the ground up with social distancing in mind.
- ✓ Single Occupancy OR Family hub sharing rooms.
- ✓ Separate quarantine facilities at Infinity at Language school
- ✓ Bus transport Social distancing practices
- ✓ Increase hygiene and cleaning operations
- ✓ Disinfected equipment that will stay with the same people for the duration of each session

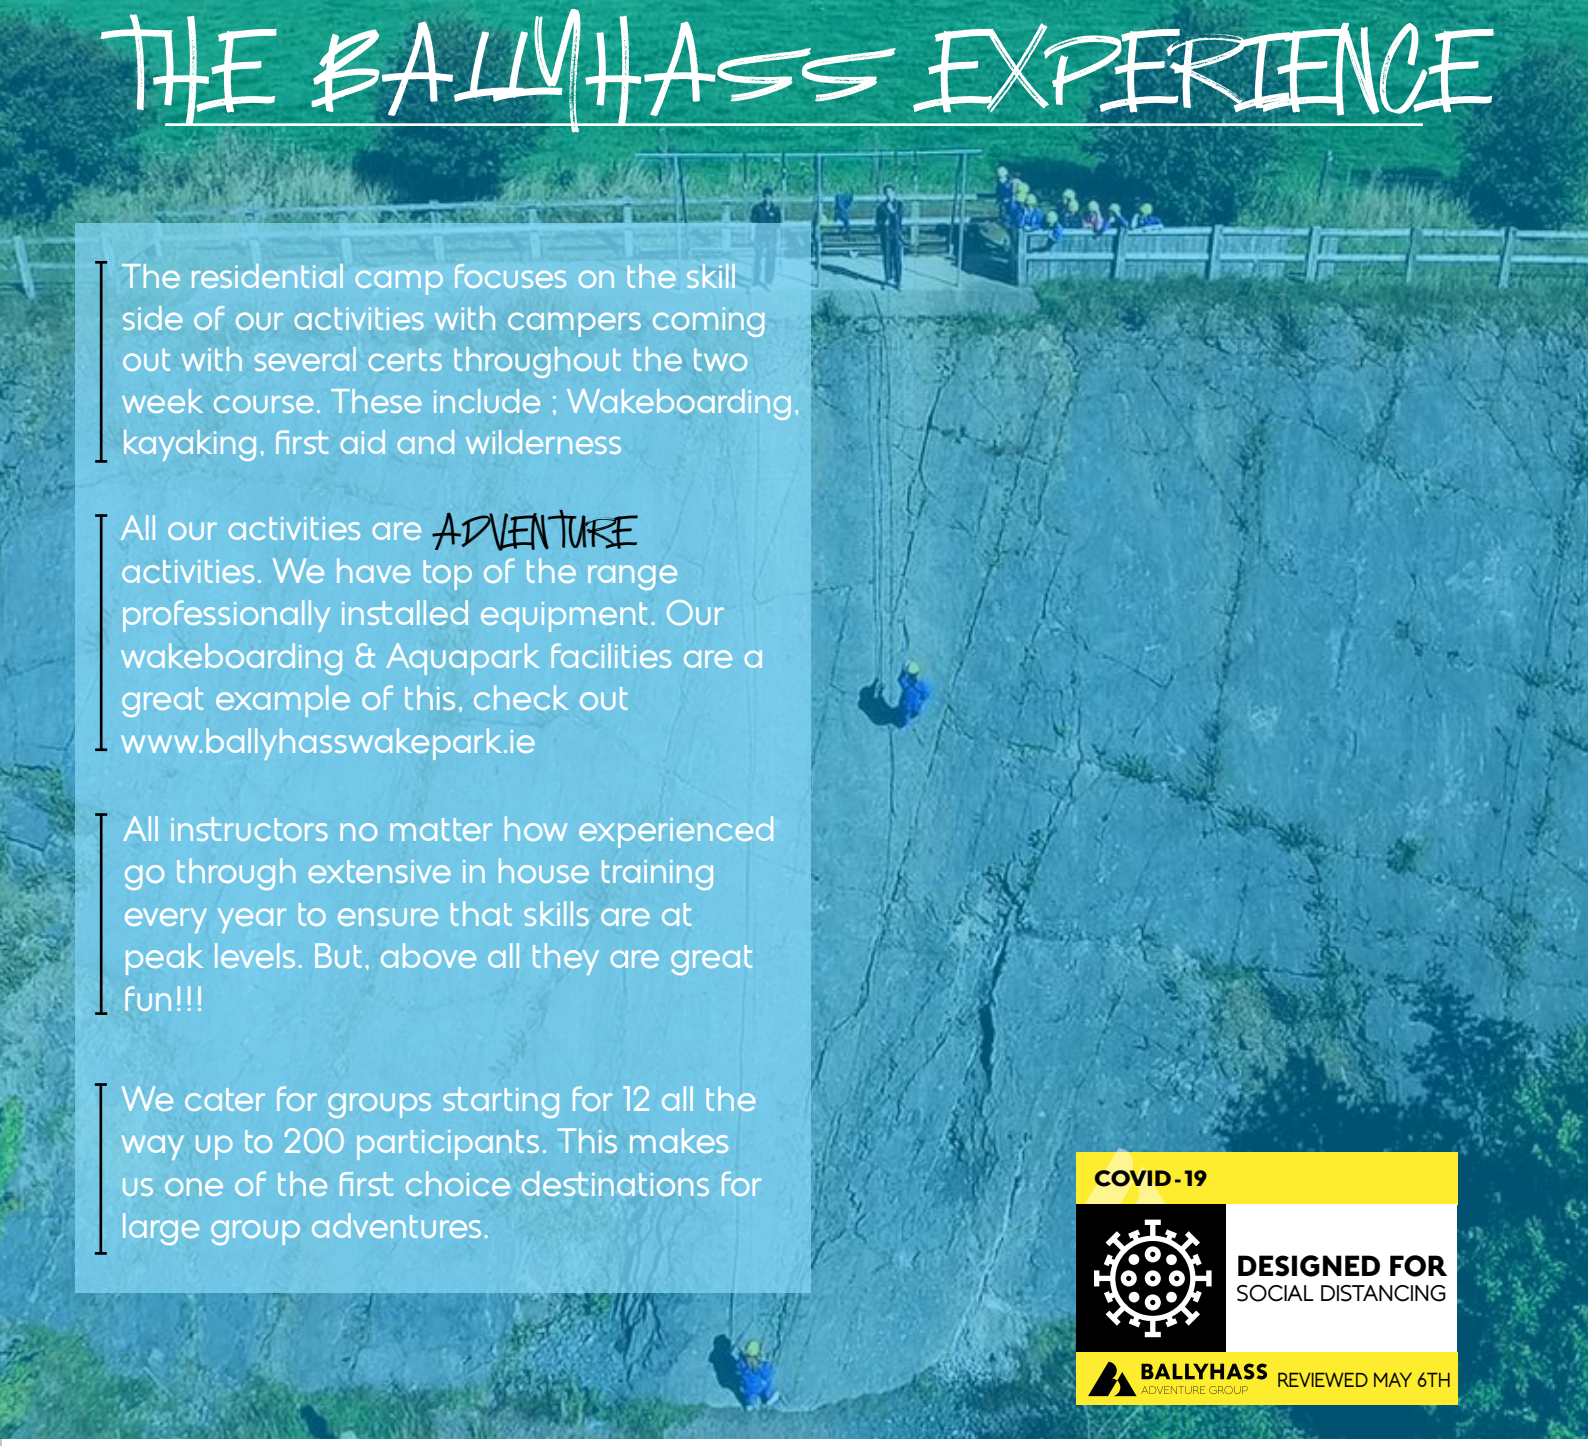
THE BALLYHASS EXPERIENCE



The residential camp focuses on the skill side of our activities with campers coming out with several certs throughout the two week course. These include ; Wakeboarding, kayaking, first aid and wilderness

All our activities are ADVENTURE activities. We have top of the range professionally installed equipment. Our wakeboarding & Aquapark facilities are a great example of this, check out www.ballyhasswakepark.ie

All instructors no matter how experienced go through extensive in house training every year to ensure that skills are at peak levels. But, above all they are great fun!!!

We cater for groups starting for 12 all the way up to 200 participants. This makes us one of the first choice destinations for large group adventures.

“

We brought 90+ transition year girls here and we had an absolute ball. The girls loved the aqua park and the zip lining. The staff were very helpful and the whole site is very well organised and safe. I can't recommend the centre enough and will be back with other school groups

- AOIFE N TRIPADVISOR

“

I took my class here on our School Tour and it was just super. The children loved every minute of it and were really challenged to work as part of a team as well as to partake in activities outside of their comfort zone. The staff were super friendly and had a great way with the children. They really knew what they were doing.

BALLYHASS OUTDOOR PROJECT

IEC KANTURK JUNIOR CAMPUS

Q How do you plan to keep social distancing in the activities?

Ballyhass is Covid19 socially distant approved meaning that all of our activity on site adheres to social distancing. This includes staff, our instructors and the students themselves. We have place signs, one way paths and floor markings to insure that students are protected at all costs from contracting Covid-19. We also have hand and equipment sanitiser across all of our sites which we encourage all of the people on site to use and to be used by instructors on the activity equipment.

Q If students are in residence, how will they be kept socially distant?

The Residence has 33 rooms which will all have single occupancy. The campus is 1 hectare with a separate school block and landscape garden to ensure social distancing. Operating at 1/3 of campus capacity to ensure social distancing requirements are met.

Q When students are having lunch, how will social distancing be kept?

All participants will be in the same activity small group for the week and be briefed on social distancing arrangements on site at the start of each week. All lunches will be had outdoors where groups of 15 are allowed to gather together

Q How will social distance be kept on transfers?

All guidelines will be followed in coordination with the bus company and government regulations
